

# They gave her a choice between an unwanted abortion

**...and a night sleeping in this.**

## **64% of abortions involve coercion.**

In Virginia, a homeless woman testified that she was forced to choose between an abortion and staying at the shelter. ... In Massachusetts, a clinic security guard testified that boyfriends and husbands routinely threaten women to make sure they keep their abortion appointments. ... In Philadelphia, a maternity retailer was sued for firing pregnant employees. Most abortions are unwanted. One study found that 83% of women who've had abortions said they would rather have had their babies. Research shows that 65% suffer traumatic symptoms after abortion. Fortunately, many are finding help through compassionate post-abortion programs. Learn more at [www.UnChoice.info](http://www.UnChoice.info).

**An unwanted choice is no choice at all.**

**Abortion is the <sup>un</sup>choice.<sup>™</sup>**  
Unwanted. Unsafe. Unfair.
