

"I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live."

— Deuteronomy 30:19

PROPOSITION ONE

DEATH IS ON THE BALLOT

For nearly fifty years, Idaho lived under *Roe v. Wade*. About 2,200 Idaho babies were aborted every year — 98,000 in all.

In 2022, after decades of faithful prayer, that ended. Idaho's **Defense of Life Act** took effect — and it is working. Babies are protected. Mothers are protected.

Prop One would repeal it. If it passes, the carnage resumes.

God set us free from the bondage of *Roe*. Now we are being asked to voluntarily take up those shackles... and place them again on the ankles of our children and grandchildren.

Prop One is about much more than abortion. It is about what kind of people we will be — what kind of society we will create and leave to our heirs.

WHAT PROP ONE'S BACKERS AREN'T TELLING YOU

THEY SAY: *"Idaho has a total abortion ban."*

THE TRUTH: Idaho law allows abortion in cases of rape and incest, and whenever a mother's life is threatened — including ectopic pregnancy. Doctors simply must treat the baby as a second patient. Abortion is the last resort, not the first.

THEY SAY: *"Doctors are being prosecuted."*

THE TRUTH: In four years, **not one** Idaho doctor has been prosecuted. Not one has been sued. Not one complaint has even been filed with the Board of Medicine.

THEY SAY: *"Doctors are fleeing Idaho."*

THE TRUTH: Idaho has had a **net increase** in licensed OBs since 2022 — and maternal mortality has **declined**.
